

Brief About Engine Health Assurance (EHA)

SERVICING REQUIREMENTS

- In order to maintain the validity of this warranty, the two-wheeler must be serviced by a HMSI Dealer authorized under "Engine Health Assurance" in accordance with the recommendations as mentioned in the booklet:
- Service Relaxation Service effected following more than 250 Kms or 15 days from the recommended service interval shall invalidate this warranty. This allowance is to facilitate the two wheeler owner to make sure services are completed at correct intervals.
- The owner must retain all the detailed servicing bills supplied by HMSI dealer.
- The servicing record shall be completed by HMSI dealer when services are completed and the servicing record shall be retained by the owner as approved, in event of the claim. The owner shall effect at his cost, all modifications and repairs necessary to avoid a claim, if a claim is likely to occur in the absence of the above.

TERMS AND CONDITIONS

- Warranty does not apply to two-wheelers used for hire/leasing/rally or used for any kind of timed competition or race.
- Two-wheelers owned, temporarily or otherwise, by a business formed for the purpose of selling or servicing two-wheelers are excluded.
- 3. Services must be completed at the correct time/s and mileage/s. The customer must retain all the service invoices and relevant receipts. Failure to service the two-wheeler in accordance with the manufacturer's recommended services schedule will render the warranty invalid.
- 4. The mileage quoted in no way guarantees the true distances covered by the two wheeler and is indicated only as a guide to when servicing is due. Failure to maintain the odometer, mileage recorder in working order or disconnecting it tampering with it will invalidate this warranty.
- 5. No liability will be accepted for damage caused by neglect, corrosion, intrusion of foreign or deleterious matter, lack of servicing, overheating, freezing or abuse by the continued use of the two-wheeler after a fault has become evident or for consequential loss on the failure of parts not covered by this warranty.
- No liability will be accepted for any failure due to wear and tear, components incorrectly fitted, or faulty or defective at the time of sale, or faulty manufacture/design an alterations/modifications from the manufacturer's specification.
- All Disputes / differences regarding claim settlement, arising for whatsoever reason shall be subject to jurisdiction of Delhi courts only.
- During warranty period, HMSI will not be liable to pay any expenses for any consumer court cases that may arise, any such cases will be directly handled by Warranty Solution Provider.
- 1 Free Service shall be availed from the Warranty selling dealer only.
